

Not your typical guide to bicycle maintenance

# Chainbreaker Bike Book

An Illustrated Manual of Radical Bicycle Maintenance, Culture, and History

By Shelley Lynn Jackson and Ethan Clark

Praise for previous edition:

“I love the seat-of-the-pants, low-budget guidance offered in *The Chainbreaker Bike Book*, a new do-it-yourself bike maintenance guide that keeps things simple, straightforward, and, most importantly, real.” —*Utne Reader*

“Shelley and Ethan obviously put a great deal of time and energy into not only riding and thinking about bicycles, but also examining their relationship to them. With warmth, charm, and knowledge to spare, *Chainbreaker* gives the joy of bicycle maintenance back to who it belongs: The People. I got down and dirty with my bike and this eminently accessible and well-compiled volume moments after bringing it home, and I’m sure to dog-ear many copies of this book in my travels. One of the most inspiring, dedicated projects in the world of independent publishing.” —Golnar Nikpour, *Maximum Rock n Roll*

“This book is a double treasure. It aims at empowering and teaching readers to do their own repairs and save money.” —Terry Lowe, *Momentum Magazine*

A hand-illustrated and accessible introduction to the world of bike repair! Through working at both Plan B Bike Project and French Quarter Bicycles in New Orleans, our co-authors have gathered a wealth of experience to share with would-be bicycle mechanics. The first half of this book is a complete repair manual to get you started on choosing, fixing, and riding your bike. The second half reprints all four issues of *Chainbreaker* zine, whose originals were destroyed in Hurricane Katrina.

This guide is the best bicycle repair manual we have, and the one many of us here at Microcosm use to fix our bikes. It’s really good for fixing older bikes, and the illustrated instructions help you suss out how to fix a wide variety of issues whatever kind of bike you have, whether it’s a beater or a vintage classic.

**SUBJECT:** Bicycle Maintenance / DIY  
**PUBLICATION:** August 14, 2018  
**PRICE:** \$16.95  
**ISBN:** 978-1-62106-126-7
